

YOSEMITE NATIONAL PARK

Commercial Tour Entrance Fees – Through 2017

A commercial tour consists of one or more persons traveling on an itinerary that has been packaged, priced or sold for leisure/recreational purposes by an organization that realizes financial gain through the provision of the service.

	<u>VEHICLE SEATING CAPACITY</u>	<u>*Sedan/SUV (1-6 seats)</u>	<u>Van/SUV (7-15 seats)</u>	<u>Mini-Bus (16-25 seats)</u>	<u>Motor Coach (26+ seats)</u>
	FEE	\$25 + (*)	\$125	\$200	\$300

Commercial fees are based on seating capacity, not occupancy. The seating capacity is based on the manufacturer's original designed capacity of the vehicle, not on the number of passengers in the vehicle or the passenger capacity of the vehicle after any subsequent retrofitting. Passenger capacity excludes the driver.

Entrance Fee Receipt: The entrance fee receipt is valid for up to 7 consecutive days beginning the date of purchase. The receipt is non-transferable and may only be use by the original group on the bus at the time of payment.

Notations: (*) For commercial sedans, the fee is the legislatively required minimum \$25 commercial tour fee plus the single-visit per person fee for each passenger. Seat count does not include the driver.

For additional information regarding other National Parks, find the individual park website at <http://www.nps.gov/>.
